Forecast For Wales
Issued by Met Office Exeter
at 0400 on Tuesday 06 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Wet and rather windy today. Drier with clear spells overnight.

Today:
A wet start to the day, with outbreaks of rain persisting throughout the morning. Rain easing during the afternoon, followed by showers, heavy and possibly thundery at times. Becoming quite windy through the afternoon. Maximum temperature 16 deg C (61 deg F).

Tonight:
Showery rain lingering over the north at first this evening, with the south turning drier with some clear spells. Clouds thickening overnight with further showers moving in later. Minimum temperature 10 deg C (50 deg F).

Wednesday:
Scattered showers through the morning. Showers clear during the afternoon with long sunny spells to follow. Fog patches may form overnight. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
Sunny spells and scattered showers on Thursday and Friday. Cloud thickening on Saturday with further showers, locally heavy and thundery. Warm in any sunshine.
